Key Features

Assignments

Add questions to specific podcasts to test your students' understanding of the subject.

Allocate them to groups of students or target one specific student to support. Results are available as reports to track progress.

Extras

Attach extra resources to a podcast to give students further knowledge and revision guidance.

Videos, images, past papers, quizzes and web links can be added to enhance learning.

Groups

Organises your students into different groups and sorts by key data (e.g. amount of usage, number of logins). Compare usage between different groups (e.g. male/female split, SEN students, Pupil Premium) to evaluate impact.

Reports

Evidence the impact of GCSEPod to OFSTED using the detailed usage reports. Monitor site usage, compare with exam results and print related assignment reports to keep track of student progress.
